Sole Source Provider & Exclusive Developer Statement

This statement will serve your agency as a sole source (only source) supplier of this copyrighted Special Weapons and Tactics software and its corresponding products. Therefore this bid letter is sufficient for sole source purchases. All above products are manufactured exclusively by Mission Critical Software, Inc. Mission Critical Software, Inc is a Colorado Corporation. There are no other manufacturers, retailers, providers, distributors, wholesalers of these products. Mission Critical Software, Inc is a sole source manufacturer and provider. Please email or call our office today to receive a personalized letter for your department.

System Licensing

Use of Mission Critical Software products is prohibited only for use of the purchasing agency and can be used agency-wide on any and all devices that have access to the system. In the event that the purchasing agency operates in a shared service or multi-agency environment, an additional license (Multi-Agency) must be purchased in addition to the standard license for each participating agency. To continue support and the receiving of updates, a yearly support fee is required. In addition, a yearly fee is required per each additional participating agency acting in a shared service or a multi-agency environment.
